Accordingly, you are requested to advise the Headmaster of the concerned school(s) under your jurisdiction to take necessary steps in this regard. You may select minimum required Science Teachers from the Higher Secondary Schools under your jurisdiction where some excess suitable teachers are available so that they may be transferred to the School(s) in due time. The concerned Headmaster should also take necessary steps for additional class rooms, furniture and procurement of minimum required laboratory equipments so that Science Stream in class – XI may start from June, 2011.

**Formal order in this regard is being issued separately.**

Yours faithfully,

  
( Sahadeb Das )

Director of School Education,  
Tripura.
