\* Decreased due to introduction of 10+2 stage of Education from the academic session 1976-77

\*\* For I - V classes the overall enrolment has been decreased. Main reason for decrease in enrolment are i) Reduction in Birth rate (Data of Census 2011 indicated that the child population of Tripura is decreasing by 1.54%) ii) Increase in Transition rate from primary to upper primary. iii) For implementation of no detention policy.

# Decrease due to recruitment of huge no. of un-trained teachers. ## Decrease due to recruitment of huge no. of un-trained primary teachers posted in all type of schools ( in primary Unit)
