18.	<p>Introducing of optional Vocational subjects in secondary school education for all around development : During the year 2019-20, for the 1st time Vocational Education Subject has been introduced in 24 Govt. schools of the State with 3 sectors. Later, during 2020-21, the same has been notified for introduction in more 56 schools with 4 sectors. This year, e-tender has been invited for introduction of the program in more 55 Govt. schools of the state.</p> <p>TBSE has also included Vocational Education in its curriculum as a Compulsory Additional Subject.</p>
19	<p>NCERT Curriculum :- To enable our students to compete with the best in the country, NCERT curriculum was implemented within a year, including training 30,000 teachers, translation of books into Bangla, and printing of books. All books were delivered to schools before start of academic year. Accordingly, academic year has been changed to April-March and school timings has been changed to ensure that very young children don't have to attend school very early in the morning. Also, school timings have been increased to provide more academic time and holiday calendar has been revised for more academic time.</p>
20	<p>NUTAN DISHA :-</p> <p>National Achievement Survey (NAS) report, 2017 as well as Annual Status of Education Report (ASER)-2018, published by Pratham Education, Foundation, nationally reputed NGO indicates that Learning Level of children of the State is not satisfactory. Some students studying in class III to VIII cannot perform addition, subtraction and division and even cannot read textbooks fluently. Under this perspective "Nutan Disha"-a comprehensive Learning Enhancement Programme has been introduced in all Government and Government aided schools for enhancement of learning level of Children from Class-III to VIII. One comprehensive Baseline Survey has been conducted in the State w.e.f. 25th to 28th February, 2019 in all the Government and Government aided schools for the purpose of assessment of Learning Outcomes of the children in class-III to VIII and total 3,16,270 students out of total enrolled 3,20,946 (98.54%) has been covered by the survey. Three Mega Parent-Teachers meet were conducted in all school throughout the State during 2019 and 2020 in which approximate 2, 22,106 (70%) parents attended. Organized Special Coaching Camp during Summer Vacation 2019 for students of classes-III to VIII who are not grade appropriate identified as per Baseline Survey. 220 Lead KRPs and KRPs have been selected from 08 (Eight) Districts and 1 (One) laptop have been</p>

	<p>provided them for class room support.</p> <p>Thereafter, a series of Post Base Line survey intervention has been made and as a result of the learning outcomes the percentage of class appropriate students have been increased to 84.43%. Besides, the result of Annual Examination indicates that 89% of students of Class III to V and VI-VIII scored more than 60% and 80% respectively in questions on Basic Skill. A sizeable number of Schools declared as Non Reader Free Schools. The endeavour will be continued and Mid Line survey will be conducted soon after reopening of Schools.</p>
21	<p>Amendment of “No Detention Policy :- Right of Children to Free and Compulsory Education (Second Amendment) Rules (Tripura), 2019 has been adopted. It provides that students of Classes V and VIII of the Government Schools including Aided Schools and Madrasa who do not secure prescribed minimum qualifying marks in the assessment after the Annual Examination, shall be detained in respective classes, and they shall be given additional instruction and granted opportunity for Re-Examination on concerned subject or subject (s) , as the case may be, within a period of two (2) months from the date of the declaration of result.</p>
22	<p>Amendment of Recruitment Rules: Recruitment Rules of Teachers (Primary, Upper Primary, Secondary and Higher Secondary stages) have been amended in the light of NCTE guidelines and latest recruitment policy of the State Government.</p>
23	<p>Rationalization of Teachers :- Revised teachers deployment norms has been notified for the entire State for JB, SB, High & Higher Secondary Schools and accordingly teachers have been transferred.</p>

Year	No. of i-Pad distributed								
2018-19	88								
2019-20	91								
2020-21	93								
38	<p>Development and distribution of Work Books for students:- For the first time, Department has started preparation of workbooks along with the textbooks to ease the learning of the students. Maths Workbooks for the</p>								

	<p>students from classes III to VIII have been prepared, printed and distributed. e-tender has been floated for printing English Workbooks for the students of classes I-V. Maths Workbooks for the students of class X (both in English & Bengali) has been developed by SCERT and that for class IX is under process and e-tender will be floated shortly. For preparation of workbook of Science for the students of class IX & X, an expert committee has been formulated and the material for the same has been developed and sent for printing. To provide workbook to the students SCERT has launched a new scheme 'Prayas'.</p>
39	<p><u>Bacchar Bachao :-</u> In order to give facility of re-examination to the unsuccessful candidates of Madhyamik and Higher Secondary examinations the State Government has introduced the system of “Bachhar Bachao “, under which students who failed upto two subjects can get chance to sit for examination again within two months time. The implementation of system has been started from the year 2020.</p>
40	<p><u>All Students to Appear :-</u> All students of class X and XII who have minimum 60% attendance has been allowed to appear in Board examination and no student who has enrolled in Xth or XIIth class will be denied permission to sit in board exam because of weak academic performance in Test.</p>
41	<p><u>Reforms in Exams Process in Xth and XIIth class :-</u> Increasing the pass percentage to 33%, having two sets of question papers to minimize cheating, rational basis for marking 20 internal marks in board year, facilities of additional subjects to students, provision of easier option of maths in class Xth, digi locker for marksheets, additional time and IT enabled facilities to specially abled students, and other similar reforms have been decided by the State Government.</p>
42	<p><u>Issuance of Scheme of Examination and Promotion Policy :-</u> For regulating and standardization of all facets of Education in government and government aided school New Scheme of Examination and Promotion Policy formulated since academic session 2019-20. <u>For Class III to V</u> : As Children in classes III to V are very young & academic burden should not be very high hence Importance is given to basic skills <u>For Class V to VIII</u>: As Children in classes VI to VIII are at critical juncture of their academic life which will determine their retention in school at secondary level, as well as their future academic and career choices whereas Survey report indicates that nearly, 67% of students in class VIII were not able to do division and around 36% in class VIII cannot fluently read a 2nd Standard class textbook and as simply allowing the students to be promoted to class IX, carrying such learning gaps, will be detrimental to this child, who would then be under substantial pressure to clear Xth class hence weightage given on basic skill as well as on curriculum.</p>
43	<p><u>Providing Smart Virtual Classroom Facility :-</u> Totally 140 schools and 02 DIETs are already bestowed with Smart Virtual Classroom Facility in Govt. and Govt. aided schools of Tripura. These Smart Virtual Classes are providing state-of-the-art ICT based teaching in the schools. Those were set up by ERNET, a Govt. of india enterprise. The Govt. has recently taken initiatives to introduce Smart Virtual Classroom facility in 05 more schools.</p>
44	<p><u>Vocational Education :</u> During the year 2019-20, for the 1st time Vocational Education subject has been introduced in 24 Govt. Schools of the state with 3 sectors, Later, during 2020-21, the same has been notified for introduction in more 56 schools with 4 sectors. This year e-tender has been floated for selection of Vocational training Provider for implementation of the Vocational Education subject in 55 schools. TBSE has also included Vocational Education in its curriculum as an compulsory additional subject.</p>
45	<p><u>Digital initiatives during Lockdown Period :</u> Telecast of e-classes through various local cable TV channels and uploaded classroom videos(class I to XII) in departmental youtube Channel ‘Tripura Shiksha Bandhu’. WhatsApp & Telegram Group formation in schools to deliver recorded classes, task & other instruction. All the textbooks of classes I to XII were digitized and uploaded in the website of SCERT i.e. www.scerttripura.org for the students</p>

	<p>and teachers. To learn science & Mathematics of class VI to VII in DIKSHA App (by scanning through QR code). Audio –video lectures on hard topics for the classes IX to XII are being developed in the in-house production studio of SCERT and those are being broadcast through different local TV channels. Food Security Allowances has been provided to 4.32 lakhs eligible students both for primary and upper primary level including food grains under Mid-day-Meal Scheme. Ensuring proper sanitization and hand washing facilities for the students, sanction according for soaps, sanitizer for students and hand gloves mask for Cook-cum-Helper. Initiatives taken to install the water reservoir in 2563 schools where running water is not available with adequate number of taps. To engage the students with their studies during lockdown & unlock period of covid-19 pandemic situation Neighbourhood classes are going on. Further different local TV channels are telecasting live classes free of cost which is highly appreciated by the students & guardian. Students all over the State is reaping benefits from these classes.</p>
46	<p>Ektu Khelo Ektu Padha :-</p> <p>Directorate of Elementary Education's Natun Disha Cell started ekto khelo padu Intervention on 25th June, 2020 specially for Elementary Students of the State. Currently the program is in its 14th week. It is an Intervention specially designed for learning through Text SMS and WhatsApp Videos during the Covid-19 pandemic situation via Normal phone (keypad phone) and Smart Phone. This Intervention was very much helpful in this lockdown period. Till today out of 4,470 Schools we covered near about 4,000 Schools. Maximum numbers of teachers are involved in this Intervention. Out of 3,20,000 students, we reached 2,25,000 students till now. We got 2,98,169 positive responds for normal Text SMS and 1,67,875 positive responds for WhatsApp Videos from guardian side.</p>
47	<p>New Education Policy(NEP 2020) :-</p> <p>A joint taskforce composed of 38 members on ECCE has been constituted on 31.08.2020 with representatives from various departments to synergize the implementation of NEP. The Joint taskforce is composed of representatives of various Departments : School Education, (Elementary & secondary), Social welfare & social education , Tribal welfare, NHM, TTAADC, TBSE, YAS, SCERT, college Principals, TRBT, HMs, Teachers:</p> <p>Several press-conferences were held & the salient features of NEP were communicated. SCERT Tripura has translated NEP 2020 in Bengali so that majority of the stakeholders can understand the prescribed principles & initiatives to be taken. Tripura is the first state to translate NEP 2020 in Bengali. Maximum sharing of the soft copy of translation were done in pre-existing various groups of teachers. Seminars are being organised continuously in all the educational sub-divisions of the state. To prepare Resource Persons, SCERT Tripura has taken initiatives & organised workshops centrally at Agartala. More than, 220 signs are being displayed all over the state focusing the key features & changes prescribed by NEP. A poster, video, PPT presentation competition have been launched by NCERT & MyGov.in & from every nook & corner of the state, teachers are preparing communication material & submitting it through the district education offices to SCERT. Those communication materials later will be used to sensitise all the stakeholders related to education with the aims & objectives, to be taken steps & the timeline of implementation. A special cell has been constituted aligning the Department of Elementary Education , Secondary Education & SCERT.</p>
48	<p>Supply of Bi-Cycle to all girl students reading in Class IX :</p> <p>2016-17, 18014 Nos. Bi-cycle had been distributed among the girls' student reading in class IX having family income not exceeding 1.25 lakh per year.</p> <p>2017-18, 16439 Nos. Bi-cycle had been distributed among the girls' student reading in class IX having family income not exceeding 1.25 lakh per year.</p> <p>2018-19 , 28006 Nos. Bi-cycle had been distributed among all the girls' student reading in class IX irrespective of any income bar.</p> <p>2019-20, 26530 Nos. Bi-cycle had been distributed among all the girls' student reading in class IX irrespective of any income bar.</p>
49	<p>Smart Virtual Classroom Project at 140 Schools by ERNET.</p>

	<ul style="list-style-type: none"> • 140 schools are, at present, linked with 2 DIETs (totally 142 SVC units) where DIETs take regular classes and the students follow those classes through Video Conference system, with the help of broadband connection, provided by BSNL. Where there is no internet connectivity, schools conduct regular offline classes with study materials, provided by IT Cell, DSE, Agartala. • At present <u>82 schools under Kakraban DIET</u> and <u>52 schools under Kailasahar DIET</u> are following regular classes of two DIETs.
50	<p><u>e-Classroom Project.</u></p> <ul style="list-style-type: none"> • <u>480 video classes recorded</u> at the Doordarshan Kendra Agartala studio under e-Classroom Project by expert teachers, including Master Trainers of State Resource Group. • All the 480 e-Classroom videos uploaded in YouTube channel (Tripura Siksha Bandhu) which has 12000 subscribers and 3,00,000 viewers.
